

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 9072 - SB 9009

October 28, 2021

SUMMARY OF BILL: Requires elections of school board members to be conducted on a partisan basis. Removes prohibition for a person seeking a position on a school board to campaign as the nominee of a political party and authorizes political parties to nominate candidates for school board membership by any method authorized under the rules of the party or by primary election under Title 2. Removes process for a local governing body to conduct a nonpartisan primary election for school board members.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information from the Secretary of State's Office, there are 77 counties which will be holding a May county primary. These counties can include the school board primary candidates on the ballot with no additional costs.
- The 18 counties that are not holding a county primary will have to nominate school board members through the political party rules because the deadline to call the primary has passed.
- Any future actions of the 18 counties to call a primary in order to hold a primary election for school board members will result in an unknown permissive cost to local government.
